## About **APSCHA 2023**

Now in its fifth year, the Africa Procurement & Supply Chain Awards (APSCA) 2023 is set to reward success, and innovations in the Procurement & Supply Chain Industry.

APSCA 2023 will bring together the most innovative and transformative players as well as practitioners who exemplify how to maintain integrity in procurement & supply chain processes from across the profession to recognise and celebrate excellence.

Recognition will be bestowed upon leading procurement experts, teams and top procurement & supply chain organizations, whose outstanding leadership and practices have raised the standards of the profession, showcasing top ethics, best practices, tact and brilliance in managing organizations' supplies as well as promoting business growth and sustainability.

The Africa Procurement & Supply Chain Awards (APSCA) is guided by International Standards and are judged by independent, free and fair panels from the procurement industry.
